FUNCTION

Dual Inverter Compressor

Dual Inverter Compressor

An unique compressor with double rotor completely redesigned in the structure and its mechanical parts, which guarantees balance, stability and efficiency as well as fast cooling. Furthermore, it makes the product more reliable with the reduction in vibration and sound pressure levels when starting and stopping the air conditioners.

10-Year Inverter Compressor Warranty

10-Year Inverter Compressor Warranty

The compressor for the Air Conditioner is the same as the engine for the vehicle. The extreme reliability and durability of the LG inverter compressor is assured by its 10-year warranty.
